Snow Angel

The chill of January brings us this magical, delicate contemporary play by Pulitzer Prize and Tony Award-winning playwright, David Lindsay-Abaire, the author behind *Rabbit Hole*, *Shrek the Musical*, and the Dreamworks film, *Rise of the Guardians*.

When the quiet town of Deerpoint, Vermont is hit by the biggest blizzard in 107 years, a mysterious girl named Eva steps out of a snow bank and into the lives of 14 confused teenagers who are asked to help her in her search. What Eva's searching for — and who she truly is — becomes a mystery that baffles, divides, and energizes the teens of Deerpoint. Told through journal entries and interactions among the students over the course of a snow week, *Snow Angel* is a funny and eerie tale of teen angst, discovery, and the power of believing.
